

Thank you

Dear All staff at brandyburn!

, Wow! I can't believe it's been 6 years!

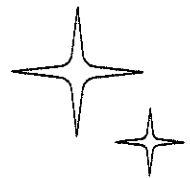

I don't even know where to begin, because thank you doesn't feel big enough for what you've given me. From the very first day, you were there for me, protecting me, caring for me, and making sure I was okay, even when I didn't know how to explain what I needed.

You believed in me when I couldn't believe in myself. You helped me through moments when I felt lost, unsure, or scared, and because of you I grew into someone who can now see a future and feel hopeful about it. You didn't just help me get through life, you helped me build a life I always dreamed of having.

The laughter, the jokes, the love, and the everyday moments we shared mean more to me than I can ever explain. You made the hardest days feel lighter, and you made me feel safe, heard, and truly cared for. Those feelings are something I will carry with me forever.

Saying goodbye is one of the hardest things I've ever had to do. I'm going to miss you so much, not just the support, but the comfort of knowing you were always there. You weren't just carers to me; you were people who genuinely loved me, and that has changed my life in ways I'll never be able to fully put into words.

Thank you for shaping the person I'm becoming, for never giving up on me, and for loving me when I needed it most. I wouldn't be who I am without you. You will always have a place in my heart, and wherever life takes me, a part of me will always carry my journey at brandyburn with me!

Love,
Amber x
